

## *ILAA 46th Annual Conference*

November 7, 2020

**Via Zoom**

Not even a global pandemic can prevent ILAA members from coming together to welcome our new members. The 2020 ILAA Annual Conference will take place virtually this year via Zoom.

That's right. You can attend in the comfort of your own living room.

### **Here is our itinerary.**

We will start off with our annual business meeting at noon Eastern Time.

We will follow later with an evening program with 2 ILAA speakers, starting at 8 p.m. Eastern time. Speakers to be announced.

Non-members are welcome to attend our conference. To join ILAA or learn more about ILAA, visit us at [www.ILAA.org](http://www.ILAA.org).

Zoom information will be announced on the Monday night ILAA meeting and be available on the home page of ILAA.
